

Aquapark Katowice

European
Economic
Congress
2010

Metropolia
Silesia

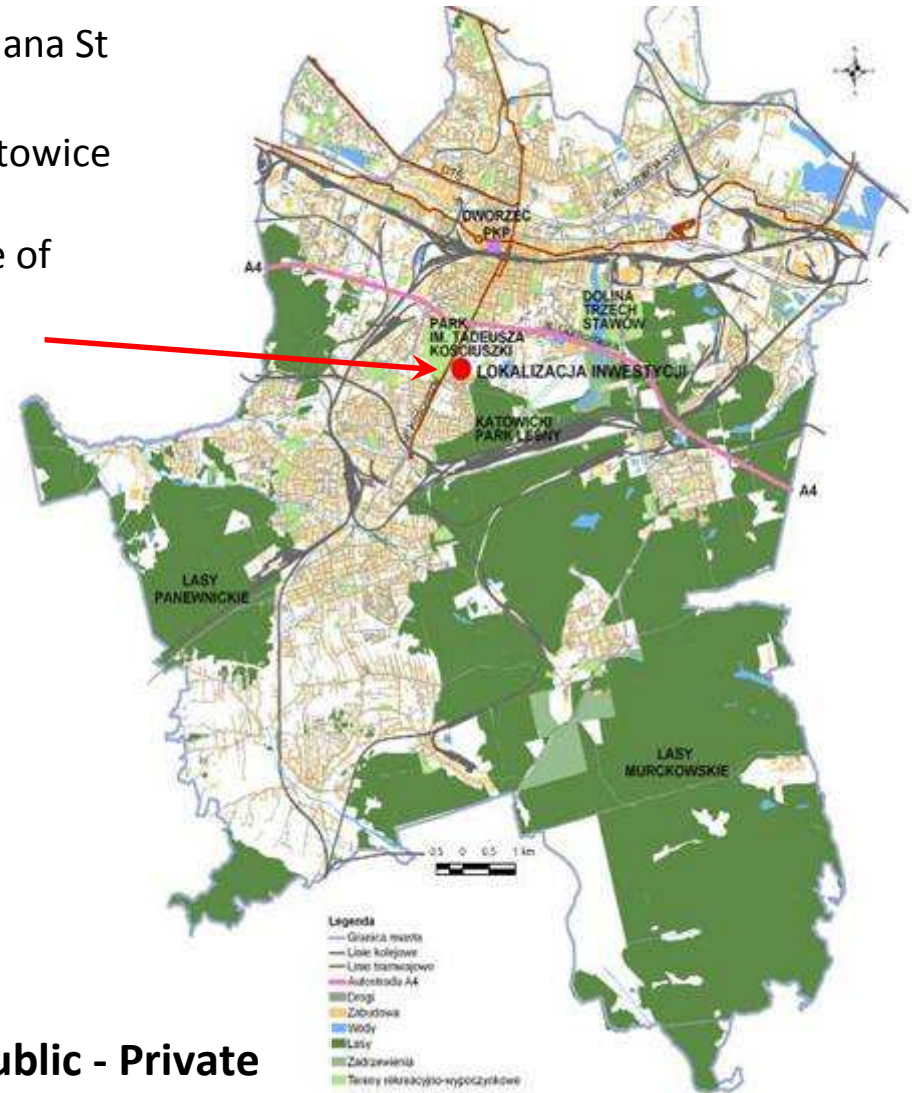

Location

- in the area of Kościuszki & Ceglana St
- 2,2 km from railway station
- next to Kościuszki Park and Katowice Forrest Park
- best location to take advantage of agglomeration potential

Concept

Project Scope include:

- Construction of high standard Water Park including wellnes / SPA zones, sauna area and fitness centre
- Construction of supporting infrastructure
- Construction of car parks

Project carried out under Public - Private Partnership law Act - in concession procedure

City's expectations:

Private Partner
that would provide:

- ✓ Financing
- ✓ Know – how
- ✓ Experience

City's contribution:

- ✓ Land - ca. 9,6 ha
- ✓ Possible capital input,
- ✓ subsidies for services,
- ✓ purchase of services

BENEFITS

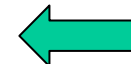

- Aquapark will improve and activate public space in the area of Ceglana and Zgrzebnioka Street and develop space currently being occupied by old football stadium
- Functional range of Aquapark in Katowice will improve city offer in the field of providing active recreation and after - school entertainment.

PLANNED PROJECT SCHEDULE:
